

YOUR MISSION

Explore the beautiful Cassowary Coast in luxurious comfort.

From the comfort of our spacious Bell Longranger helicopter, explore the vibrant colours of the reef, sweeping white sandy beaches, utopic islands, emerald green rainforests, stunning mangroves, and incredible untouched landscapes that surround the Mission Beach area.

CHOOSE YOUR MISSION

Explore the Cassowary Coast and its surroundings from the comfort of our spacious Bell Longranger helicopter.

FAMILY ISLANDS EXPLORER

30 Minutes | 2 People - \$550 | 3 People - \$365 | 4-5 People - \$275

Explore the wonder of the islands off the Cassowary Coast, with their emerald green tropical rainforests, and pure white sandy beaches. Experience the picturesque 'spit' sandbar, whilst overflying the beautiful Dunk, Bedarra, and other Family Islands from this unique aerial vantage point.

THE GREAT BARRIER REEF

45 Minutes | 2 People - \$825 | 3 People - \$550 | 4-5 People - \$415

Leaving the spectacular Mission Beach coastline behind, be amazed by the World Heritage listed Great Barrier Reef's pristine waters and colourful coral cays, keeping an eye out for dolphins, dugongs, manta rays and sharks, and in the cooler months, pods of humpback whales.

CANE TO COAST

30 Minutes | 2 People - \$550 | 3 People - \$365 | 4-5 People - \$275

Experience the agricultural heart of Far North Queensland, with sugar cane, banana, tea, and other tropical plantations aplenty as you transition from farmland to lush tropical rainforests and long white beaches, crossing river inlets and mangroves with offshore views of Dunk and the other Family Islands.

THE BEAUTY OF HINCHINBROOK

1 hour | 2 People - \$1,100 | 3 People - \$735 | 4-5 People - \$550

Experience that land that time forgot from the air! Hinchinbrook Island offers utopic rainforests, waterfalls, and rugged mountains that descend into mangrove lined channels that meander and wind their way through the island. Surrounded by idyllic waters and fringing reefs, the area is home to a diverse range of aquatic creatures.
