

Mission Helicopters operating from Tully aerodrome.

We set off from Mission Helicopters temporary Tully aerodrome premise and took a wonderful scenic flight over the cane fields to South Mission, then proceeded up the beach to Garners taking in the beautiful sights that Mission has to offer.

A perfect day that allowed a beautiful view of Dunk Island and the coastline of Mission Beach, and a bird's eye view of the new world class Clump Point Safe Boating Facility

Mission Helicopters are offering scenic flights over the local area and reef for up to five passengers at a time. Mission Helicopters can be contacted on 0456903183.
